The Line Segment Element 布伦萨

BRENZA

The Brenza series is designed to integrate a variety of straight lines and line segments and absorb elements such as buildings, bridges, and light and shadow refraction in the city. It is only for the purpose of creating A rational and modern thinking design concept is also designed to better adapt to the changing modern style indoor space, in the composition In contrast with color, the bright color design of some regions is also partially refined, and the emotional bright color is displayed on the basis of rational thinking, resulting in a strong contrast.

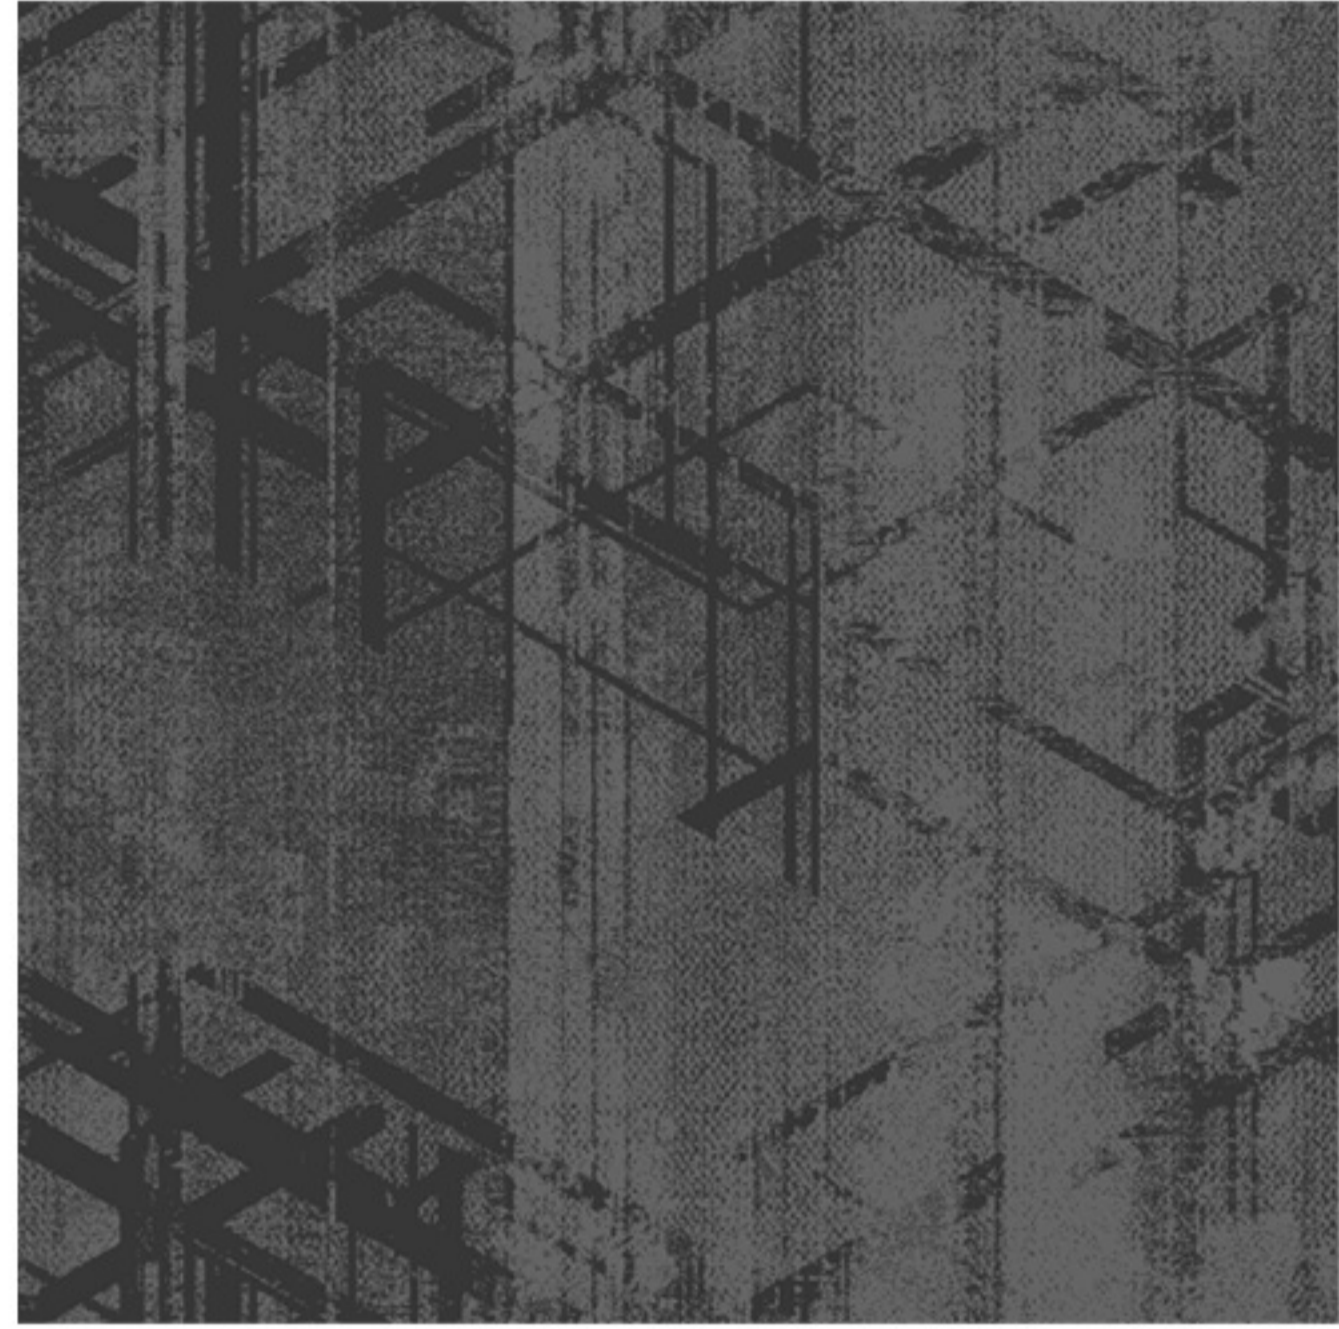

布伦萨系列设计融合多种直线、线段等肌理，吸取城市中建筑物，桥梁，光影折射等元素，只为营造一个理性而充满现代思维的设计理念，也是为了更好的适应多变的现代风格室内空间而打造，在构图与色彩上也在局部提炼部分区域的亮色设计，在理性思维基底上展现感性的亮色，产生强烈的对比。
